INFO

STATEMENT

Experienced over 8 years design and draft Engineer with a demonstrated history of working in the facilities services industry. Skilled in designing and drafting MEP systems and can use AutoCAD/Revit (MEP). Strong engineering professional with a Bachelor of Engineering focused in Mechatronics from Mandalay Technological University.

COVER LETTER

Dear Sir/Madam:

I would like to inquire about the "ACMV Drafter Cum BIM Modeler" role opportunity in your organization. With a Bachelor's in Mechatronics and 8 years of construction experience in Myanmar, I'm well-suited for this role.

I have over 8 years of experience in construction, including 3 years as MEP Drafter Engineer and 5 years as a CSD/MEP/ACMV Design and Draft Engineer at ACMV Specialist Company-PME Holding Co., Ltd. My roles involved coordination, designing, drafting, and collaboration with engineers.

I am proficient in AutoCAD 2D & 3D, M&E Designs and draft, Revit (MEP), HAP (E20), McQuay Duct Sizer and Microsoft Office. My expertise covers Mechanical, Electrical, and ACMV systems, enhancing my understanding of project requirements.

I am impressed by your organization's excellence and am eager to contribute. Please find my attached resume for your reference.

Thank you for your time and consideration.

Best Regards,

Han Ni Tun (Ms.) BE-Mechatronics
